Speirs Foods Update

Speirs Group Limited is a majority owner of Speirs Foods (2018) LP ("Speirs Foods"), a Limited Partnership based in Marton which manufactures and supplies fresh foods, mainly salads, to supermarkets and the food service industry across New Zealand.

On 16 September 2026 we advised that the directors of Speirs Foods had asked the secured lender to Speirs Foods to appoint a Receiver to Speirs Foods.

After discussions with the secured lender and with legal counsel for Speirs Foods the directors of Speirs Foods have instead resolved to appoint an Administrator to Speirs Foods as part of a Voluntary Administration process.

Accordingly, Jessica Kellow and Iain Shephard of BDO Wellington Limited have been appointed as joint and several Administrators of both Speirs Foods (2018) LP and Speirs Foods General Partner Limited effective from 9.30 am on 22 September 2026.

On 21 September 2026 Craig Tucker resigned as Managing Director of Speirs Foods with immediate effect.
